Trans. of [Statens Nämnd för Byggnadsforskning].
Report (Sweden) 1962, no. 85. (Abstract available)

DESCRIPTORS. *Job analysis. *Professional personnel.
Construction, Buildings.

The report gives the results of an examination of the
supervisors' activities, as carried out by the Institute
of Supervisors with an economic subsidy from the State
Council for Building Research. The first section gives
the examination bases and execution together with the
necessary background data. Part II deals with some
fundamental problems of method and describes ex-
periments and experiences regarding the method of
